Unit:	Skill:

Criteria for Approval

Shift Date Exchange:

- Must be within the same pay period
- Provide up to 3 alternate workdays (ranked in order of preference)
- Weekend shift exchange requests must trade for another weekend shift
- Request will be denied if no alternate shift available that would result in overage or skill mix conflict
- Request may be denied based on pre-scheduled activities, education, meetings, etc.
- Cannot trade a pre-scheduled Stat day, but can trade another shift to work a Stat day
- May be scheduled on other units for entire/part shift

Shift Type Exchange:

- May be scheduled on other units for entire/part shift
- Request will be denied if no alternate shift is available that would not result in an overage
- Request may be denied based on pre-scheduled activities, education, meetings, etc.

Short Shift Exchange:

- One short shift exchange request allowed per scheduling period
- May be scheduled on other units for entire/part shift
- Request may be denied based on pre-scheduled activities, education, meetings, etc.
