## **TELUS HEALTH** EMPLOYEE ASSISTANCE PROGRAM

Your Employee Assistance Program (EAP) provides you with immediate and confidential help for any work, health or life concern. We're available anytime and anywhere.

Your EAP is a confidential and voluntary support service that can help you take the first step toward change. Let us help you find solutions to the challenges you face at any age and stage of life.

You and your immediate family members (as defined in your employee benefit plan) can access immediate and confidential support in a way that is most suited to your preferences, comfort level and lifestyle.

There is no cost to you or your family to use your EAP. This benefit is provided to you by your employer. Your EAP can provide a series of sessions with a professional and if you need more specialized or longer-term support, our team of experts can suggest an appropriate specialist or service that is best suited to your needs. While fees for these additional services are your responsibility, they may be covered by your provincial or organizational health plan.

Your EAP is completely confidential within the limits of the law. No one, including your employer, will ever know that you have used the program unless you choose to tell them.

Access your Employee Assistance Program (EAP) 24/7 by phone, web or mobile app!
