

Are you a youth whose mental health has been impacted by the pandemic?

Waypoint Centre for Mental Health Care is currently looking for North Simcoe youth voices from all walks of life who are willing to participate in a survey on youth mental health needs during the pandemic. We want your feedback to create programs that are innovative, inclusive, and in line with youth needs. We are interested in hearing from youth who identify as:

- Racialized
- Newcomer
- Indigenous
- Lived/Living in Foster Care
- LGBT₂SQ+
- Francophone
- Lived/Living in a Remote Community
- Disabled
- Lived/Living in Poverty
- Has had Conflict with the Law
- Non-marginalized

MUST BE LIVING IN NORTH SIMCOE, ONTARIO AND 12-25 YEARS. If you are interested in participating in this survey and/or focus groups, email OurYouthWellbeing@waypointcentre.ca with "North Simcoe Youth Survey" in the subject line!

If you have a family member between the ages of 12 and 25, A Preventative Mental Health Online Program for Youth is looking to collect feedback from youth in surveys and focus groups.

Honorariums are provided for participation. Email us at OurYouthWellbeing@waypointcentre.ca ASAP to inquire about participation!
