

Talent Management needs your help!

If you know someone interested in working at Waypoint, or who is looking to relocate to the Georgian Bay area permanently for all the beauty our area has to offer, please encourage them to apply. All RNs, RPNs, PCAs, PSWs and nursing students welcome.

What's in it for you? You could be entered into a draw for \$75 gift card!

Waypoint is implementing an employee referral draw. All new **nurses** hired as of September 21st will be asked at job offer if they were referred by a Waypoint employee. Any employee who has referred a new nursing hire will be entered into a draw for a \$75 gift card at an approved business in our local community.

Last but not least, retention of employees is just as critical in meeting staffing needs as recruitment. During stay and exit interviews, employees share one of the top reasons they stay or leave the hospital is their experience with their co-workers and managers. You can do your part to make them feel welcome and supporting them as they learn the ropes at Waypoint.
