DEADLINE TO SUBMIT VACCINATION STATUS – OCTOBER 4, 2021

- Today is the last day for all staff to submit their vaccination status to Occupational Health at covid19@waypointcentre.ca
- The COVID Immunization Policy came into effect September 7th in accordance with the province's Directive 6, making vaccination for COVID-19 mandatory for all Waypoint staff, physicians and volunteers, both those working on-site and remotely, as well as Honeywell, G4S, Patient/Client and Family Council, students and medical learners, and other on-site contractors/partners providing services to Waypoint by Nov. 8, 2021.
- Under Directive 6, the Ministry requires proof of vaccination documents be submitted even if you reported your vaccine dates to Occupational Health in the past.
- Thank you to all the staff who have been vaccination and who have submitted their vaccination status to Occupational Health
- All questions about medical or human rights exemptions should be directed to covid19@waypointcentre.ca
